

Change to Entitlement Issue Timetable

Buru Energy Limited (**Buru**) wishes to advise a change to the timetable as set out in the Entitlement Issue Prospectus (**Prospectus**) released to ASX on 3 May 2022.

The timetable had provided for the results of the Entitlement Issue (which closed on 31 May 2022) to be announced today. Due to delays with postal receipts, applications are still being processed and as a result Buru expects to now issue the announcement early next week but no later than 10am WST on 7 June 2022. The remainder of the entitlement issue timetable remains unchanged.
